# HEALY PACK SENIOR GSD SANCTUARY 501(c)(3) nonprofit charitable organization) FOSTER GUIDELINES/APPLICATION

Please carefully review the following guidelines, in addition to the Foster Agreement you will be asked to sign. Foster families are the backbone to developing and rehabilitating our rescues. We cannot exist as a rescue without your assistance and willingness to bring needy German Shepherds into your home until Fur-ever homes become available. Fosters have our undying gratitude and my deepest respect and admiration. There are never enough foster homes to go around, so each is precious to HEALY PACK SENIOR GSD SANCTUARY and the German Shepherds we are trying to save.

We want your fostering experience to be a positive and productive experience, not only for you and your family, but also for our rescued dog. We are always available should you have questions or concerns while you are fostering a dog for us. Please be sure you understand fully the scope of our foster application before bringing a foster dog home:

- 1. Arrange to introduce the new animal to your own pet(s), if you have them, outside on neutral territory. We can assist with this should you require it. Once inside, it is best to situate the foster animal in a crate at first and introduce him/her gradually to other household members. Do not try to make the foster an immediate part of your family. Let him/her settle into the new place and help him/her learn the rules of the house as soon as possible. Never let the foster take over and place your own animals at risk or under stress.
- 2. Use a training collar or martingale collar to walk a foster so he/she cannot slip out of the collar. A dog can easily slip out of a flat collar, which should be worn for identification purposes only. The training collar should be used only for walking and training and should be removed after the session. Keep the training collar attached to the leash at all times. If you do not know how to put the collar on properly, please check with Linda Healy of HEALY PACK SENIOR GSD SANCTUARY.

3. If you find prospective adopters for your foster on your own, please make them aware of the application process, as well as the HEALY PACK SENIOR GSD SANCTUARY requirements and adoption donation. Please make sure you understand the adoption application process and notify Healy Pack if you have a potential adopter contact you. HEALY PACK SENIOR GSD SANCTUARY screens applicants very carefully. First, the written application is evaluated. Next, a reference check both personal and professional checks, a veterinary check is made for all animals the prospective adopter owns or has owned. If the application, vet check and reference checks are good, a home visit is scheduled. If the adoption is then approved, a contract is signed, and an adoption donation is provided by the adopters. The donation amount varies per animal.

Please keep some clean applications and rescue marketing material on hand or have the capacity to print them from the website, to give to prospective adopters. Remember that not every prospective adopter is approved, and sometimes other applications may be pending.

- 4. Before taking a foster, ask about the animal's age, gender, temperament, behavior, and why he/she is in need of adoption. Find out to the best of your ability and ours if he/she is a stray, from a shelter, a private surrender, a victim of abuse or neglect, etc. Share any observations you might get on your own with Linda Healy.
- 5. Never turn over a foster to someone who claims it is his/her lost pet! This person could be mistaken, or he/she could be deliberately trying to mislead you. The animal could have been removed from his/her former home for all kinds of reasons. The claimant could well have mistreated the animal. Report any such claims to Linda Healy immediately, and we will investigate.
- 6. If necessary, HEALY PACK SENIOR GSD SANCTUARY can lend you a crate, an appropriate collar and leash. Whenever you transport any animal, make certain you have him/her on a leash, with a training and flat collar. (If you plan to foster on a regular basis, it would be a great help to Healy Pack if you could pick up an extra crate!) Make sure the dog has ample room to move around when choosing the proper size.
- 7. HEALY PACK SENIOR GSD SANCTUARY provides food for fostered dogs. Some pet stores will donate food for foster dogs, so it is worth contacting your local pet stores like Petsmart, Petco, or small businesses and ask for donations for your fostered dog. If you start to run low on food, please give Healy Pack 48-hours advance notice that you need to pick up another bag of food, and we will arrange a time to do so. Foster families typically provide extra toys and treats for their foster animals, with no reimbursement from Healy Pack. Fosters may also be asked to participate in transporting animals or assisting in house checks.
- 8. If your foster animal becomes ill or gets hurt, contact Linda Healy immediately. HEALY PACK SENIOR GSD SANCTUARY covers medical expenses, but I MUST authorize treatments and medications before they are administered, and I must also approve the veterinarian who will be doing the work. In emergency cases, when every moment could mean the difference between life or death, do not hesitate to take the animal to a vet immediately or to an emergency clinic if after regular vet hours. We will work out emergency expenses. The important thing is to do everything possible to save the animal in distress. Know where your closest vet and emergency centers are located before you foster any animal or ask HEALY PACK SENIOR GSD SANCTUARY. Keep the numbers and directions easily accessible. The time to search is not when you are holding a sick or injured animal in your arms.
- 9. Please be cautious of what you tell potential adopters. Avoid giving advice and criticism. Please avoid answering any questions with absolutes, and never answer any question you are not sure about. Ask for assistance from Healy Pack when you don't know something. Tell inquirers you will get back to them as soon as possible or share the contact information for the rescue with them. Always recommend that potential adopters do as much reading about German Shepherds, adoption in general, obedience training, and special needs of the breed.
- 10. If you have any hesitations or peculiar feelings or "bad vibes" about potential adopters, DO NOT ALLOW IT TO GO FORWARD! Say the final decision is not yours to make, and we will get back to them as soon as possible. Discuss your concerns with Linda Healy. You do not have to take the heat for your instincts, but I have

learned through experience that it is best to go with them. Try to determine what is giving you pause or making you wary and take note of it.

- 11. Be very familiar with the regulations and policies of HEALY PACK SENIOR GSD SANCTUARY. Please carefully read the adoption application and be aware of special needs your particular foster dog may have (medical conditions, behavioral issues, etc.) Most of all, remember that no one can be approved until their application is deemed acceptable, the vet check is satisfactory, and a home visit is completed. If the adopters are approved, the adoption contract must be signed -- by the adopter(s) and by a HEALY PACK SENIOR GSD SANCTUARY representative -- with all information carefully filled out and checked by you. Adopters must provide the non-refundable donation to HEALY PACK SENIOR GSD SANCTUARY either before taking possession of the dog or upon taking possession of the dog.
- 12. You are taking full responsibility for the rescue be whether it's in your home or out in public. You will not hold HEALY PACK SENIOR GSD SANCTUARY liable for any actions, while in your care. Please remember that your actions are a direct reflection on HEALY PACK SENIOR GSD SANCTUARY.

Any further questions should be directed to Linda Healy 240-587-0141
